COVERS RICHEST GOLD AREA IN CALIFORNIA

Vol. 14. No. 81. The County Seat Paper NEVADA CITY, CALIFORNIA, The Gold Center MONDAY, NOVEMBER 18, 1940.

## *Thinking Out Loud*

**By H. M. L.**

Next Saturday at 2:30 o'clock in the afternoon, four young men will leave Nevada City for military training. This is the county's quota for the first contingent. The quota for the county up till June 30, 1941, is but 149. These may consist of either volunteers or "selectees", as these young men are designated by military authorities. At intervals between now and June 30 three more contingents will leave Nevada county for military training.

The selective service board of Nevada County hopes that these young men who are cheerfully fulfilling a vital duty to their country will be honored by the entire community as they depart for training camp. No one knows how soon, or if at all, they will be called upon to serve in battle lines in defense of their country. Whatever the President may desire, or promise, regarding peace, is not final. The people wrought to white hot wrath by foreign developments, may consider that war is the lesser of two evils, and force our representatives in Congress to declare war. It will be recalled that the people of this country enraged by the Lusitania sinking during World War No. 1, demanded war long before President Wilson or Congress acted.

We cannot, then, foretell the fate that awaits these young men who either volunteer, or are selected, for military training. But this much is certain, at least, that they will give a year of their lives to the service of their country. The most that we can do to show them honor, is to spend a few minutes next Saturday afternoon in bidding them goodbye and Godspeed.

In general charge of the farewell ceremonies for these young men will be the veterans organizations. At Nevada City and Grass Valley the respective high school bands will play patriotic tunes. All citizens who can do so, are urged to gather at the National Hotel at 2:15 p. m., a few minutes before the bus leaves to witness the departure of the first contingent of Nevada county's contribution in manhood to the defense of this county, and to cheer these lads on their way. Similarly while the bus pauses for a few minutes at the Bret Harte Inn in Grass Valley, citizens are urged to gather there.

On the whole we think that the great majority of those chosen, or volunteering for military training, will benefit from the discipline, the good food, regular hours, and physical exercises that the training comprises. We believe one of the advantages arising from education in the land colleges, of which the University of California is one, is the setting up exercises, military drill, target practice and general knowledge of tactics, military accoutrements and courtesy, young men receive there.

One thing every patriotic citizen should keep in mind, with regard to this unprecedented peacetime conscription of young men. That is, under a sanely prudent administration our preparations can be an insurance against war. The terror that Germany's preparations inspired among her neighbors in Europe, we have no part in, and we need not share, provided only that we present a united people, ready for any eventuality that may confront us, and determined not only to defend our shores against invasion or to suppress internal fifth column corruption, but also to defend such rigsts on the high seas as are vital to our future.

The departure of these four young men for a year's training in military service next Saturday, marks the initial step of 131,000,000 people toward defense of the western hemisphere. Let us do them honor, for they and hundreds of thousands like them, may be the means of preserving the peace essential to our democratic civilization.

## GEORGE HALLOCK TO SPEAK IN COLFAX

George Hallock, Nevada and Sierra County mine operator and president of the California Hydraulic Mining Association, will speak before the Colfax Lions in Colfax tomorrow night.

Hallock's topic is expected to be the work of the mining association in advancing hydraulic mining during its several years of existence.

# Hint Of Foul Play In Death Of River Miner At Edward's Crossing

### Fred Wasberg Found Dead On Trail With Throat And Wrist Slashed; Authorities Are Continuing Investigation

Nevada County officers today are continuing their investigation into the death of Fred Wasberg, about 50, also known as Fred Erickson, who was found, with his throat and left wrist slashed, near Edward's Crossing yesterday.

**Deputy Coroners LeRoy Turner and Michael Royer, who with Deputy Sheriff Williford conducted a preliminary investigation, stated Wasberg apparently had been dead for at least ten days.**

The officers said they are not thoroughly convinced yet that Wasberg was a suicide but did not reveal the clues which lead them to believe otherwise. An open pocket knife was found near the dead man's feet.

**Two Names**

Upon the person of the deceased Deputy Coroners Turner and Royer found gold receipts made out in the name of Fred Erickson. C. C. Bennetts, however, who resides near the Erickson cabin, said he was known to him and others residing in the district as Fred Wasberg.

Bennetts told the authorities Wasberg had been drinking heavily about the middle of October, when he was last seen alive.

The body of Wasberg is at the Holmes Funeral Home here. Coroner A. M. Holmes today took charge of the investigation. An inquest will probably be held.

## *Roy G. Goodwin Retires From Active Newspaper Work*

Roy G. Goodwin, for 30 years with the Superior California Department of the Sacramento Bee, most of which time was spent as editor, has announced his retirement because of a critical eye condition.

Goodwin is probably the most widely known newspaperman in the Northern part of the state. He knew the district covered by his more than 125 correspondents thoroughly and often toured the entire "Superior California" area.

On many of the important stories which "broke" in Nevada County during the past 30 years, Goodwin was on the job almost immediately to cover them.

Many in Nevada City knew "RGG" and will regret his passing from active newspaper life.

Goodwin will be succeeded by Jack Wilson, who has been acting department editor for more than a year past.

## Gravedigger, On Day Off, Discovers Body

**You no doubt have heard about the postman taking a walk on his day off.**

**Well, here is something that tops that.**

**John Van Netta, gravedigger and cemetery custodian for the Holmes Funeral Home, took a day off yesterday and decided to do some prospecting.**

**And lo! and behold, Van Netta no more than got started before he stumbled upon the body of Fred Wasberg, who had been dead for about two weeks.**

## THANKS ALL WHO HELPED TRINITY DINNER SUCCESS

The people of Trinity Parish join their rector in a vote of thanks for the splendid work done by the wives of the vestry of Trinity Church and the ladies of the Guilds who assisted them in every way possible for making the eighty-seventh annual dinner a success. All the men who assisted at the dinner are also given a vote of thanks.

Those who participated in the selling and distribution of tickets are to be congratulated upon their fine work.

The rector and vestry of Trinity Church express their gratitude to the board of the Methodist Church and to Mr. Ralston for the use of their social hall Thursday evening.

## DEATH CALLS MRS. MOMMI

Mrs. Florence Mommi, 57, well known resident of Grass Valley, died today in a Nevada City hospital following a long illness.

The funeral services have been tentatively set for Wednesday morning at the Hooper-Weaver Mortuary in Grass Valley.

Mrs. Mommi leaves five children, Tony Mommi and Joe McCarthy of Grass Valley, Mrs. Ted Sewell and Mrs. Florence Whitaker of Sacramento and Mrs. James Wheaton of Smartville.

## GAULT BRIDGE RECONSTRUCTION TO START SOON

The city council is advertising for bids on several thousand dollars worth of timbers and planking for the reconstruction of the Gault Bridge. Every thing but the steel work is to be replaced and even the steel is to be reinforced.

Work will start about December 15, according to Superintendent of Streets Herbert Hallett. The travel way is to be widened to 18 feet and the pedestrian walk moved over to make room for this new width.

The load capacity of the bridge will be doubled to about nine gross tons. Timbers for the most part will be specially treated with creosote to prevent decay.

**Advises Advisors—**

Merle Morrison, chief clerk of the Nevada County Selective Service Board, attended a meeting in Grass Valley of Advisory Board members, informing them of the proper procedure in assisting registrants who seek aid in filling out their questionnaires.

## Two Held Following Brawl At Indian Reservation Here

Bill Torpie, white, and Pete Johnson, an Indian, are held in the county jail here pending an investigation by the Indian agency of the federal government into a disturbance at the Indian Reservation near here late yesterday.

The two were taken into custody by Sheriff Carl J. Tobiassen and Deputies William D. Woods, Fred Williford and Ronald Fraser.

The officers were informed Torpie had beaten an Indian woman and when she fled to her home for safety Torpie, in company with Johnson, attempted to beat the door down. In the meantime the woman fled through the back door and sought aid at Mrs. Kate Williamson's. The call to the sheriff came from Mrs. Williamson.

The authorities said both men had been drinking. Drinking or transporting liquor on an Indian reservation are federal offenses.

Sheriff Tobiassen said he would notify the federal Indian authorities today to investigate the case.

## City Will Observe Holiday Thursday

President Roosevelt and Governor Olson have proclaimed this coming Thursday Thanksgiving Day, although the holiday would ordinarily fall on the 28th.

Nevada City schools and business houses will be closed, but the mines of the area will continue operations.

The school children will not only have Thursday as a holiday but also Friday. School will resume on Monday, November 25th.

City offices as well as the county courthouse will close Thursday.

## County Will Bid Adieu To 4 Volunteers

### Citizens of Two Cities Will Join With Relatives In Farewell Fete

Hundreds of Nevada County citizens will join in goodbye ceremonies with the relatives and friends of the four volunteers who leave for a year's military training next Saturday afternoon as the first of four contingents who will swell the defense forces of the United States under the selective seervice act.

Because of the delay in securing medical examinations, the names of the four volunteers will not be available until tomorrow morning.

The community farewell and Godspeed to be given the volunteers is in general charge of the veterans organizations, with W. W. Esterly, commandant of the American Legion in charge. The point and time of departure in Nevada City will be the National Hotel at 2:15 next Saturday, November 23. In Grass Valley the group will leave from the Bret Harte Inn at 3 o'clock approximately. A group of veterans headed by Commandant Esterly will escort the volunteers to Colfax where they will take the train to Sacramento. There they will be inducted into military training.

At Nevada City the Nevada City high school band will turn out in uniform and play patriotic airs. The Grass Valley high school band will play before the Bret Harte Inn as the volunteers prepare to leave. In Nevada City Judge George L. Jones will voice the sentiments of the community in address to the volunteers. In Grass Valley, M. Henry Argall, will be the speaker.

The four volunteers have been invited to be the guests of honor of the Hague-Thomas-Hegarty Post of the American Legion next Thursday night at the regular meeting of the post in the Veterans Memorial building.

## JAIL SENTENCE GIVEN J. T. FRADELIZIO

John Tony Fradelizio, 28, of this city was arrested on three separate driving counts following an automobile accident at Town Talk Saturday night. He was given 60 days in the county jail by Justice of the Peace Gildersleeve here today.

The charges made against Fradelizio were drunken driving, hit-run driving and driving with out a license.

He was accused of failing to stop after he collided with a machine operated by Curtis Clark, local garageman at Town Talk. His arrest followed shortly thereafter when the automobile he was operating crashed into a tree near Glenbrook.

Highway Patrolman Carl Kitts arrested Fradelizio.

## CITY CLERK CALANAN UNDERGOES OPERATION

The many friends of George H. Calanan, city clerk, will be happy to learn he is rapidly recovering from an operation, performed at the Nevada City Sanitarium several days ago.

The well known local resident is expected to be able to resume his official duties within a few days.

# Father Held For Firing Pistol Shot At His Daughter

### Williard Jones, County Road Employee, Allegedly Threatens Neighbors After Shooting Bullet At Louetta Jones

Accused of firing a shot from a .32 caliber pistol at his 14 year old daughter, Williard Jones, 51, county road employee of French Corral, is held in the county jail here.

**Jones was taken into custody by Deputy Sheriffs Fred Williford and Ronald Fraser last night.**

**Jack Jones, a son, told the officers his father came home in an intoxicated condition late yestereday and immediately resumed a quarrel with** his daughter, Louetta, a Nevada City High School student, which began at a dance Saturday night.

**Threatened To Shoot**

Jack said his father slapped Louetta and when she got out of his reach he threw a stick of wood at her. Jones then told her to come back or he would get a gun and shoot her. When Louetta refused to come to him, Jones, the son said, went to the automobile after his gun.

**"You come back here or I'll kill you,"** Jack quoted his father as stating. Screaming, the daughter ran toward the neighbor's home and Jones fired the shot.

**"My sister fell to the ground and I thought she was hit,"** Jack stated, "but later I learned she fell from fright."

**Relinquishes Gun**

After firing the shot at his daughter Jones went to a neighbor's home, where he reportedly threatened to shoot the entire household. He was persuaded to abandon the idea and to relinquish the gun.

When Deputies Williford and Fraser arrived in French Corral to investigate they found Jones asleep in his home. He gave no resistance.

The daughter is a student at the Nevada City High School here.

## Final Rites Conducted For Pioneer

### Death Claims Caribeno Orzalli After Several Months Of Illness

With many sorrowing relatives and friends attending, funeral services were conducted Saturday morning at the St. Canice Catholic Church here for Caribeno Orzalli, 84, one of the city's oldest residents.

Orzalli died at his home on Grove Street Thursday afternoon after a long illness.

Following the funeral services the remains were interred in the Catholic Cemetery here under the direction of the Holmes Funeral Home. Father O'Reilly officiated at the services.

The pallbearers were George Cary, Andrew Cary, Martin VanBerg, Geo. Falmbigl, Frank Ducotey and John Nankervis.

**Member of Owls**

Orzalli was a member of the Nest of Owls of Nevada County and a former member of the Mine Workers Protective League.

Although he was born in Italy, Orzalli had been a resident of Nevada County since he was 9 years of age. He came to the county with his parents, who first settled in Chicago Park.

Following his marriage in 1899, the deceased and his bride moved to the Blue Tent district, where they reared a large family. Twenty years ago the family moved to the present Orzalli home at 17 Grove Street in this city.

Ozalli formerly was a teamster and miner. He worked in many of the mines in the Grass Valley-Nevada City area.

Besides his wife the deceased leaves three daughters, Mrs. Sidney Smith of Smith of Browns Valley, Mrs. Clarence Brill of San Francisco and Mrs. Julia Festi of Grass Valley, and five sons, Gus, Caribeno, Jr., and Leslie Orzalli of this city, Peter Orzalli, Bank of America employee in Auburn and George Orzalli, who resides somewhere in Montana. The family has been unable to locate George to notify him of his father's death.

Mrs. V. Mazzanti of Chicago Park is a sister of the deceased and Pete Orzalli of Chicago Park a brother.

## RIVER MINER FOUND DEAD ON DEER CREEK NEAR ROUGH & READY

An autopsy is to be performed late today at the Holmes Funeral Home in Grass Valley to determine the cause of death of Michael Leahy, 69, Deer Creek sniper, who was found dead near his sluice boxes in the Rough and Ready district last night.

The body of Leahy was found by Joseph Shallet. The deceased was single and a native of Australia. Coroner A. M. Holmes stated Shallet, a neighboring prospector, informed him Leahy had complained of feeling ill earlier in the day.

**Mrs. Williams In Hospital—**

Mrs. James Williams' illness became so serious Friday she was taken to a hospital for treatment.

## LEAGUE ELECTS NEGOTIATING COMMITTEE

### Olney Donnelly Heads Group Which Will Negotiate New Contract

The Nevada County Mine Workers Protective League yesterday at a mass meeting in the Veterans Memorial Building in Grass Valley elected a committee of five to negotiate with the mine operators in the Nevada City-Grass Valley district for a new working agreement.

The present contract expires Decembe 31st. Named on the committee yesterday were Olney Donnelly, as chairman, C. W. Rose, Fred Carter, William Hocking and Russell Miller. Eight were nominated.

The league is recognized by all the large operating mines in the county, except the Lava Cap, as bargaining agency for their employees.

Following discussions with the mine owners and the drawing up of a tentative program, the negotiating committee will report back to the league membership.

## RED CROSS FUND TO DATE $390

Mrs. Arnold Jackson, chairman of the Red Cross annual membership roll, announced today that thus far $390.85 have been collected. The canvass for members is about half completed.

## BAD CHECK CHARGE JAILS E. LANDFAIR

E. A. Landfair, 47, on parole from Folsom Prison, was arrested during the weekend on a charge of issuing checks without sufficient funds.

The complaint against Landfair was signed by Eddie Floyd, proprietor of the Gold Center Club between Nevada City and Grass Valley.

**Starts Vacation—**

City Officer Lionnel Davies today started his vacation. Davies will be back on the job again in two weeks.

## Christmas Seals Help Our Own People

Next Thursday Nevada Cityans along with most of the nation will celebrate Thanksgiving Day. We of course have many things to be thankful for, but not the least of them is the fact that we have an organization doing the humane work of wiping out tuberculosis.

When the annual Christmas Seal Sale gets under way coincident with the observing of Thanksgiving we will be called upon to again do our share. We will be asked to help a cause which is giving untold benefit to mankind all over the world in almost eliminating a disease which not so very many years ago took an enormous toll of life and happiness.

The Christmas Seal Sale is not a drive for funds which do not affect Nevada County.

**Do You Know—**

That tuberculosis can happen to you—that it can happen to any of your friends or relatives? We sincerely hope it doesn't, but it did strike down over ten persons every day last year in California, and it happened right here in Nevada County, too.

**Do You Know—**

That to help protect the people of Nevada County, the Nevada County Tuberculosis Association carried on a county wide program of tuberculosis discovery and control this year?

**Do You Know—**

That Christmas seals made this possible in Nevada County:

1340 girls and boys and contacts were tested.

500 chest X-rays were taken of positive reactors.

600 home calls on families of positive reactors were made to track down the source of infection. Help and advice were given to parents of reactors.

Hundreds of people received a better knowledge of tuberculosis and how to safeguard themselves against this disease.

Just how much can be done next year depends on the 1940 sale of Christmas Seals. The Nevada County Tuberculosis Association must be able to continue its campaign to discover hidden cases of tuberculosis and to prevent the spread of the disease in Nevada County.

It is up to all of us to do our part.

## Day by Day

"Make some small improvement every day," is the advice of William Feather, metal trades magazine editor, to those who want to get ahead.

Suggests Feather: "Let an ambitious young man survey himself. First, let him stand before a tall mirror and look at his shoes, suit, collar, tie, whiskers and haircut. Can any improvement be made in his appearance? If so, let it be made and once made, let the improvement be permanent.

As a further step, Feather tells the young man: "Next, let him survey his job. Does he report for work on time? Is he polite and agreeable in his relations with others? Does he observe the shop rules? When he leaves his job at the end of the day, let him survey his leisure hours. Does he read stimulating magazines and books? Does he cultivate the friendship of serious, interesting people? Does he study himself?"

Feather says he merely urges one small improvement every day. He writes: "Of all the habits a man can acquire, daily self-scrutiny and self-improvement is the best. It puts zest into living by making each day a new adventure. Progress is then measured not by what one is at 20, or 40, or 60, but what one is at the end of each 24 hours."

How many follow such a course? And how many just do nothing until such time as something drastic must be done?

## Human Nature Quiz

Psychologists are anticipating with relish the rare field day they'll have when they come to study the results of aptitude and knowledge tests given to hundreds of thousands of selective service recruits.

If any conclusions are ever going to be arrived at regarding that curious thing caled "human nature" this, admittedly, is the way to do it. Take a very large cross-section of the population, submit identical problems to a million or more persons, and see what they do with them.

In addition to the standard tests, two young army officers of Fort Dix, N. J., have constructed a whole series of "emotional" tests which they hope will be approved and submitted to conscriptees. Here's one of them:

You are walking along a muddy road, carrying a stone in your hand. Suddenly a car speeds by, splattering your clothes with mud. Question: Would you throw your stone at the car?

The conscriptee might well answer that it all depended on conditoins. If he were in the army, the answer would be "NO"—a general might be in the car. Yet a psychologist could conclude that a recruit who replied with an emphatic "No!", certainly seems to be lacking in hot fighting spirit. But the impetuous rock-heaver, on the other hand, is plainly in need of that disciplined self-control which is the requisite of every good soldier.

Sometimes there's difficulty with temperament tests in deciding what they prove after you have the information. But that the country is going to have information — and by the thousands of reams—on the aptitudes and general knowledge of several million younger citizens is certain.

## Politically Speaking

By JOHN W. DUNLAP
United Press Staff Correspondent

SACRAMENTO, Nov. 18.—(UP—The national defense program seems to have solved the touchy question of new taxes, thus disposing of a major source of controversy between Gov. Culbert Olson and the legislature.

In submitting the current biennial budget to the legislature early in 1939, Olson forecast a deficit of $76,000,000 by the end of the biennieum next June 30 and sought additional tax levies to balance off most of the arrearage.

John W. Dunlap.

The entire tax program was rejected by the lawmakers, however, and later in the year it was predicted that the deficit might reach an all time high of $80,000,000 or $90,000,000.

But then came the huge expenditures by the federal government for defense purposes. The effect on the state finances was immediate and beneficial, increasing tax collections—particularly the sales tax—as the result of increased business, and reducing unemployment relief costs through increased employment.

As a result, the state budget swung into balance for the current fiscal year, and it appeared there might even be $2,500,000 or more to apply against the deficit which has been accumulating for the past ten years.

Governor Olson announced that instead of the $76,000,000 deficit he anticipated two years ago, the red ink balance next June 30 probabily would be about $20,000,000

The business upturn did not take less—or approximately $56,000,000. effect soon enough to balance the budget for the entire biennium, and a substantial deficit was recorded for the fiscal year which ended last June. Approximately $38,700,000 of the arrearage was on the books when Olson assumed the governorship, however, and is chargeable to previous administrations.

The drop in relief expenditures was a most important factor in balancing the current year budget. Olson pointed out that expense of operating the SRA for the last four months were approximately $5,000,000 below the corresponding months of last year.

Hearings were started by the finance department this week preparatory to making up the 1941-43 budget for presentation to the legislature in January. It was considered likely the final version would not include any major tax increases.

Director of Finance George Killion has announced his intention to show a surplus for the two year period and the budget requests are being scrutinized with unusual thoroughness to make sure that the functions provided for are absolutely essential to efficient operation of the state government.

Departments are being required to submit any requests for amounts in excess of those allowed in the current budget on separate forms, setting out the specific reasons and the need for each. Department heads have been instructed not to fill positions which become vacant if it is possible to distribute the work among other employes, and measures have been taken to establish closer control on use of automobiles by state employes.

To further strengthen budgetary control Killion announced that in the future there will be no emergency allocation for departmental functions which are rejected by the governor or the legislature in consideration of the budget. Members of the legislature have frequently criticized in the past the practice of disregarding the wishes of the legislature by authorizing emergency grants to restore items previously deleted from the budget.

Despite the present bright financial picture, however, one factor to be remembered is that Governor Olson's interest in his tax program of the last two years is more than financial.

He has frequently urged that such levies as the severance tax, increased corporation franchise taxes, higher horserace taxes and others be enacted as a substitute for other taxes which fall upon a broader section of the population, such as the sales tax.

In view of the decisive legislative rejection of this program in the face of a rising deficit, there would be almost no chance of success at the next session now that the revenue curve has reversed.

# THANKSGIVING AT CHRISTIAN SCIENCE CHURCH

"Thanksgiving" will be the subject of the Lesson-Sermon Thanksgiving Day in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Rejoice in the Lord, ye righteous; and give thanks at the remembrance of his holiness" (Psalms 97:12).

Other Bible citations will include: "We then that are strong ought to bear the infirmities of the weak, and not to please ourselves. Let every one of please his neighbor for his good to edification. For even Christ pleased not himself; Now the God of patience and consolation grant you to be likeminded one toward another according to Christ Jesus: That ye may with one mind and one mouth glorify God, even the Father of our Lord Jesus Christ" (Romans 15: 1-3 to ;, 5, 6).

The Lesson-Sermon also will include the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy; "Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech. What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds. The words of divine Science find their immortality in deeds, for their Principle heals the sick, spiritualizes humanity" (pp. 3, 4, 354.)

# RURAL TEACHERS HEAR PROGRAM

The November meeting of the Nevada County Rural Teachers club was held on Saturday morning at the court house, with Mrs. Grace Mounday, president, presiding.

A large group of teachers was present to hear various matters of importance discussed.

Mrs. Sylvia Mosher, rural supervisor, spoke on defense education in the schools and also discussed the reading program with the members.

Mrs. Marian Newberry, Health Supervisor told of the dental clinics for the pre-school child. These clinics are held once a month in Nevada City, Grass Valley and Truckee. Any child up to six years of age may be brought to these clinics for examination and dental service.

Mrs. Newberry also reminded the teachers of the Christmas Seals sale which begins after Thanksgiving. The tuberculosis skin tests and follow-up X-rays were made possible for hundreds of Nevada County children through the sale of these seals.

Much interest was shown in the art demonstration by Mrs. Madge Perkins teacher at Washington, who exhibited work done by her pupils. Many new and helpful ideas were taken home by the teachers.

It is planned to hold the next meeting of the club on December 1, in the historic old Mooney Flat hotel, now used as an emergency school. After the business meeting a tour of inspection of the new Narrows Dam which is nearing completion, will be made.

## You Are Invited To See The Steel Spike

That bound a countryside to—"a world apart"—from faith that was born of courage.

It's a sound, steel railroad spike, as burnished and bright as it was the day it rang under the ceremonious heavy beat of a sledge hammer, signifying completion of the Nevada County Narrow Gauge Railroad in May, 1876.

For sentimental reasons this final spike was removed from its brief resting place and carefully preserved as an ever-bright memento of the foresight and perseverance of those determined, faith-inspired souls of 64 years ago. Today, at the Dickerman Drug Store at Nevada City it is the center of a display, rich in the days of early Nevada County.

The Nevada County Narrow Gauge Railroad has come a long way since that memorable band-playing, flag-waving day in 1876. It hasn't been all coasting, it has taken a lot of steam—fighting the battles of its communities as readily as its own—holding a steady hand on he throttle during the shifting eras of a nation—eagerly building a pattern of accommodation that grew into railroad service, recognized and respected by major American railroad lines, swinging its mechanized tempo to meet that of modern day approved transportation and freighting—augmenting rail facilities with sleek lined passenger busses and capable highway freight carriers.

Steam trains superceded the old-time stage coach in answer to the demand for faster, safer travel. Then, with further invention, came comfort-abundant highway busses and fast passenger airplanes. Verily the cycle of transportation has set the pace for progress, and in this trend the Nevada County Narrow Gauge Railroad has forged ahead, abandoning rail passenger service for more expedient and accommodating busses—gratifying the pleasure of its patrons.

# SOCIAL EVENTS

## *Local Girl Becomes Bride Of South American Gold Dredge Employee*

The wedding of Miss Carol Nelson, employee of the Bowman Beauty Parlor here, and George A. Burns, South American gold dredge worker, was solemnized last Thursday afternoon in Verdi, Nev., at the home of Mrs. M. Canonic and in the presence of close friends.

The bride, attired in a navy blue ensemble and carrying a bouquet of gardenias and bavardia, was attended by Miss Azelia Burns of this city, a sister of the bridegroom. Miss Burns wore an outfit of dusty rose and carried a rose and bavardia bouquet.

The ceremony was performed by Justice of the Peace Charles Browning. Herb Costa of Nevada City acted as the best man. Others present for the ceremony were George Browning, Mr. and Mrs. Bert Canonic and Douglas Canonic all of Verdi and Mrs. Herb Costa, Betty Ruth Burns, Mildred and George Dixon and Mrs. Bud Hutton of Nevada City.

After a reception the couple departed on a honeymoon trip. They have not definitely decided where they will make their home. Burns arrived in Nevada City last Tuesday from Columbia, South America, and he may return there to continue work on a dredge. At present he is on his vacation.

The bride is well known in this city, where she has made her home for a considerable length of time. She is a daughter of Mr. and Mrs. Joe Nelson of Live Oak. She graduated from the Marysville High School and a Marysville beauty college.

Burns, son of Mr. and Mrs. Geo. Burns of Yreka, is a graduate of the Yerington High School in Nevada.

# DOWN ARGENTINE WAY COMING TO NEVADA THEATRE

From every indication "Down Argentine Way" is the most impressive musical yet produced by 20th Century-Fox. It is reported that this studio, which is noted for many big musical productions, including the famous "Alexander's Ragtime Band" has turned out an extravaganza in Technicolor which should set a new pattern for this type of screen entertainment.

Brilliant casting, catchy songs and sheer lavishness mark "Down Argentine Way," which starts its engagement Thursday at the Nevada Theatre, as the greatest musical extravaganze of all time.

Don Ameche has a role that was made to order for him. Capitalizing on his diversified talents, Don was given a grand role which not only calls forth his acting talent, but his singing and dancing ability as well. Opposite Ameche is blonde Betty Grable who returns to the screen after scoring an outstanding success on the New York stage in "Du Barry Was a Lady."

"Down Argentine Way" also marks the sensational Carmen Miranda, famed South American songstress who took New York by storm when she appeared on Broadway in "The Streets of Paris." Playing herself in the picture, she sings four numbers in the tantalizing manner for which she is famous. These include South American Way, Bambu, Madame Eu Quero, and Touradas Em Madrid.

**In New York City—**

Mr. and Mrs. Fred F. Cassidy are on a combined business and vacation trip to New York and other eastern cities.

## Entertainment Will Be Given Here Tomorrow Night

Salvation Army Band selection.

Vocal solo, South of the Border, by Patsy Hall.

Piano solo, Tarantella, by Miss Elva Gilbert.

Vocal duets, Cradle Song and Playmates by Donald and Leonard Prisk.

Reading Miss Annie Mitchell.

Grass Valley Octette: (a) Great Is the Lord (b) Still the Tempest.

Remarks by Judge George Jones.

Soprano solos, The Bird With a Broken Wing and The Little Road to Kerry by Miss Catherine McQuay.

Cornet duet, Tyrolean Lovers, Harry Leighton and Bob Davidson.

Soprano and alto duet: Love Sends a Little Gift of Roses and Can't You Hear Me Calling Caroline.

Piano duets Chop Sticks and The Twin's Waltz, Billie and Bobbie Argall.

Tenor solo, How Beautiful Upon The Mountains and Be Still and Know.

Violin and flute duet Little Symphony and Gavotte by Mrs. Leone Brown and Mrs. Esther Warren.

Closing number, Salvation Army Band, God Bless America.

Closing prayer and benediction by Major Davidson.

Accompanists, Mrs. Reta Morrison, Mrs. Camille Cornish, Miss Elva Gilbert, Mrs. Mildred Hollow and Mrs. Echo Bernie.

## Shower Honors Miss Elma Eden, Bride-To-Be

Mrs. Lois Davis entertained at her apartment in the Davies Building on Commercial Street Saturday night in honor of Miss Elma Eden, popular local young woman, who will soon become the bride of Carl Baker of this city.

The entertainment was a miscellaneous bridal shower and the honored guest received many presents from those attending. Refreshments were served following the playing of games.

Those attending the shower included:

Mesdames Marian Smith, Pauline Mullis, Grace Solaro, Marnie Danford, Bernie Davies, Claire White, Phyllis Mobley, Evelyn Eden, Lillie Eden, Bernie Penrose, Fanny Eden, and Margaret Dorf; Misses Gertrude Schreiber, Irene Buchanan, Lillian Duchessi, Clarice Holland, the honored guest and the hostess.

# PAUL VILES HAS NEW TOW CAR IN N.A.A. SERVICE

Paul Viles, distributor in Nevada County for Buick cars and authorized National Automobile Association agent for road service, has accepted delivery on a new, latest model tow car which combines all the features needed for quick efficient service in this mountain region.

The car has a double crane that may be operated as two cranes when a side pull is necessary, one to anchor the car and the other to hoist the wreck fom the bottom of the deepest ravine. The tow car may be stabilized by lowering two braces at either side so that the strain is against the ground rather than against the car's frame work. It may also be anchored by cable in front, attached to boulders or trees, when it is desired to start a motor truck on the upgrade on a frozen road. Various winches and hundreds of feet of steel cable give the operation of this specially built car wide flexibility in operation.
